*Parents should arrive at least 15min prior to your scheduled party time to set up and be sure all children have turned in their proper waivers. Our staff will assist you upon your request in setting up and preparing you for your party guests to arrive. Staff will also assist in party clean up as the room should be neat and tidy after each party. Please let the Lifeguards know how they can best assist. Gratuity is appreciated for exceptional service.

*All children must have their waiver signed by their parent or guardian. We have extras available if needed.

*You are welcome to enjoy your birthday cake, pizza/food, and refreshments in the Party Room. We ask that you celebrate with your cake and snacks after your swim session. No food is permitted on pool deck. _____ Initials

*Parents, family, and siblings are welcome to relax in the party room during the event or remain on the pool deck. Based on individual children's skill levels or age, lifeguards may request parents to be present either within arm's reach or on deck if in lap pool. Swimmers may also choose to wear coast guard approved life jackets to ensure their safety. No built in floatation suits, armbands, or inner tubes are permitted. The pools are not closed during your party time, if you prefer a private party you are welcome to reserve an after-hours party time. We encourage you to remind your party guests that parents are welcomed to join in the fun & do not count in your party head count. Let your guests know to dress appropriately for being in an indoor pool facility. In the winter it is typically 83 degrees at the pool 😊

*No glass containers or bottles are permitted

*No one is permitted in the pool without a lifeguard on duty

*If a party is interrupted for inclement weather – Parent can decide to be refunded for remaining time if they decide to leave the facility, if possible we can wait for storms to pass if no parties scheduled later, or if parents choose to finish party in the party room there is no refund.
